

EXPLORE SPITSBERGEN

escorted by Peregrine's Bronny Tudor

Join our polar expert, Bronny Tudor, on a fully escorted adventure; the highlight is a 10-night expedition voyage aiming to circumnavigate Spitsbergen, the major island of the magnificent Svalbard archipelago. We'll sail as far north as 80 degrees and experience dazzling scenery, wonderful wildlife watching – polar bears, walrus, whales and incredible birdlife.

I have been with Peregrine Travel Centre for 23 years and travelled all over the world including Antarctica, the Falkland Islands, South Georgia and the Canadian High Arctic. It's these polar regions that have truly blown me away and next on my travel wish-list is the Spitsbergen High Arctic. I am delighted to invite you to join me.
